Dear Paul,

Thank you for all your work securing Michael "Pinball" Clemons" for our fundraising event, it couldn't have gone better! Michael was amazing, he helped us raise a lot more money than we anticipated and he personally touched a lot of hearts. We expect when all the money has been collected, that we will have raised \$15,000 on Saturday Night.

I spoke to several men in particular who were challenged about their own development as leaders and their influence as fathers. We could not be more pleased!

Mike knows who he is. A quality that few people possess. Many sports celebrities, who "know who they are" come across with pride, but Mike humbles himself as a servant, treating everyone equal, loving deeply and making every single person in the room feel special. Not only did he help us raise more money than we anticipated, he helped raise the profile and trust in our organization. This will help us reach out to help more families and children for years to come.

Thank you for all your hard work in nailing down the details. We were very grateful for your services and excellent communication.

Gratefully,

Tim Coles
