Subject: Thank You

Hi Meghan

I just want to say a huge THANK YOU on behalf of all of us at the Cancer Society. You helped us raise an incredible \$188,000 and counting!!! Your presence was so well received. Everyone who met you was so thrilled and your team is really, really hoping you will come back for next year.

Thank you for being so kind to the many people that wanted to say hello. Especially our little people from camp. You really took the time to meet with everyone who wanted to see you and made them all feel special.

You are a true community champion.

We will send some photo's your way soon as well as those jerseys.

Thank you again from the bottom of our hearts.

Brooke & Melissa
