

Doug Smail

After winning a NCAA Championship with the University of North Dakota, Doug signed with the Winnipeg Jets of the NHL. While in the NHL he spent 10 years with the Winnipeg Jets (now Phoenix), one year with the Minnesota North Stars (now Dallas), one year with the Quebec Nordiques (now Colorado), and one year with the Ottawa Senators.

He was known as a solid two way player and made an appearance in the annual NHL All Star game in 1991. He was one of the league's top penalty killers throughout his career and still holds a career and season record for shorthanded goals for the Winnipeg / Phoenix franchise. He went 12 consecutive seasons with at least one shorthanded goal and is co-holder of two NHL records, fastest goal from the start of a game and is one of a record 6 thirty goal scores on one team, the Winnipeg Jets (tied with the New York Islanders). He was also selected to Team Canada to represent his country on two occasions but was unable to attend both because of season ending injuries. His awards over his career include:

Winnipeg Jets Most Exciting Player Award

Winnipeg Jets Emory edge award winner for the best plus-minus

Winnipeg Jets / Phoenix Coyotes Shorthanded Goals record Holder

NHL All-Star Appearance 1990

NHL Fastest Goal from start of game

NHL most 30 goal scorers on one team (6) – Winnipeg 1984-85

In his post-playing career, Doug has become an extremely successful entrepreneur. His work ethic and integrity has been established to include a wide breadth of experience, contact expertise, combined with organizational and managerial skills and experience.

Bring Doug into your organization, not just to share some hockey stories, but to have him discuss the dynamics of your business from his trained and expert perspective.

Doug is a strong Christian man and was during his playing days in the NHL after accepting Christ as a teenager.
