

Nikita Koloff

Nikita spent nine years with World Championship Wrestling (WCW), attaining most of their major titles. In 1987, Nikita was named Inspirational Wrestler of the Year.

At the young age of 33, Nikita Koloff decided in 1993 to retire from professional athletics. He was at the height of his career. His career in the squared circle took him to all four corners of the world. In October of that same year, Nikita walked an aisle not to beat any man in the ring, but to personally surrender to The Man, Jesus Christ. During the next four years, Nikita underwent intense mentoring and discipleship. He began a full-time, faith-based ministry in 1998.

Nikita preaches in churches all over the world, crossing all denominational barriers in an evangelistic style. Nikita's traveling ministry has taken him to Africa, South America, Trinidad, Curacao, Moldova, Singapore and Costa Rica. He has spoken to thousands of students on high school and college campuses all over the country. Nikita is heavily involved with the youth of today. Recently, he has been involved with Teen Mania Ministries at their "Acquire the Fire" events, sharing his heart before audiences exceeding 43,000.

Nikita has a power-packed wrestling crusade that has touched the heart of every community where this event has taken place. Through these live events, thousands have come to accept Jesus Christ as their personal Savior. Nikita says: "We give the people what they want: Good, clean, old-fashioned wrestling. They leave with what they need...salvation."

These events have spanned the globe. Sponsored by churches or local businessmen, this tremendous outreach can be brought to your community.
