Paul!!

How are you? Thank you SO MUCH for your role in making the night so incredibly special. Herbie did a phenomenal job as per usual. Please let him know that the audience loved him and encourage him to keep up the great work.

On behalf of One Voice One Team, I would like to thank you for your help in connecting the dots. The OVOT Night of Support held on May 8th was truly a success! The night was full of fabulous guests, amazing conversations, and great food! We were able to raise over twenty seven thousand dollars in support of the One Voice One Team movement! Thank you again for your support and for being you!

Sincerely,

Bo
