Dear Paul:

On behalf of the Rotary Club of Barrie and the Barrie Baycats baseball Club, we wish to extend our appreciation for your involvement in bringing Robin Cole to our recent Sports Celebrity Dinner.

Robin was a terrific speaker and most entertaining to all those in our audience. He was very articulate combining the seriousness of cancer while combining sports highlights with humour during his talk. His friendly nature to guests before and after the Dinner was very much a hit to those that met and chatted with him.

I would certainly recommend having Robin as a guest speaker in any number of venues. If there is an opportunity to have Robin Cole return to the Barrie, ON area, we would welcome his presence.

Yours in sport,

David Mills
